# Artillery units and Heavy Infantry units with integrated artillery cannot move into these hexes or across these hexsides unless the hex or hexside contains a road.

The following have no effect on play:

- Scattered trees, mills and wind-mills, minor tracks, faded streams, and small buildings, including the Olofstorp farm at Halmstad and the church and farm at Jankau.
- TACW: Edgehill: the stream; Marston Moor: the ditches

GENTLE SLOPES: A Gentle Slope hexside affects only Grazing Fire (10.8.3), and causes a Formation Hit on a unit only when the unit crosses the second Gentle Slope hexside in the same activation. There is no MP cost to cross a Gentle Slope hexside and such a hexside does not block LOS.
